

Acknowledgement

© Springer-Verlag and the University of Milan 2011

The Editors of *ANNALS OF MICROBIOLOGY* and Springer are grateful to all the people for their help and important contribution to the activities of the journal made in different ways. Particularly, we gratefully acknowledge the scientists involved in the review of manuscripts considered during the years 2010 and 2011. Without their experience and invaluable assistance, we would not have been able to expeditiously review all submitted papers.
