Correction: Prospecting the plant growth-promoting activities of endophytic bacteria *Franconibacter* sp. YSD YN2 isolated from *Cyperus esculentus* L. var. *sativus* leaves

Saisai Wang^{1†}, Jinbin Wang^{2,3†}, Yifan Zhou^{2,3}, Yanna Huang^{2,3*} and Xueming Tang^{1,2,4*} 

Correction: Ann Microbiol 72, 1 (2022)
<https://doi.org/10.1186/s13213-021-01656-2>

Following publication of the original article [1], the authors were notified that the two strains, *C. zurichensis* and *C. helveticus*, had been renamed, and the authors would like to correct and replace the *C. zurichensis* and *C. helveticus* with *Franconibacter* and *Siccibacter* respectively in the full text, and replace the names in Fig. 1 and amend *Cronobacter* sp. to the new strain name *Franconibacter* in the article. Figure 1 has been updated to reflect this. Presented here is the corrected Fig. 1. All the authors agreed with the aforementioned corrections and apologized for any inconvenience. The original article has been updated.
